

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

10 BANK OF AMERICA, N.A.,)
11 Plaintiff(s),) Case No. 2:16-cv-00498-JCM-NJK
12 vs.) ORDER
13 MESA VERDE HOMEOWNERS)
14 ASSOCIATION, et al.,) (Docket Nos. 42, 44)
15 Defendant(s).)

16 Pending before the Court is a motion by Defendant Alessi & Koenig to file an oversized
17 motion. *See* Docket No. 42. That request relates to a two-page motion and a 49-page memorandum.
18 Docket Nos. 44, 46.¹ All motions other than for summary judgment are limited to 24 pages. Local
19 Rule 7-3(b). Requests to exceed those page limits are disfavored, and will not be routinely granted.
20 Local Rule 7-3(c). To establish grounds for filing excess pages, the movant must establish good
21 cause. *Id.* Good cause is only established through a detailed explanation of the reasons for the
22 additional pages requested. *Id.*

23 The pending request for excess pages relies on conclusory assertions that the issues in this
24 case are “complex,” that there are “billions of dollars” at stake that require extensive briefing, and
25 that movant cannot adequately brief the issues in 24 pages. *See* Docket No. 42 at 3; *see also* Docket

¹ The filing of a separate motion and memorandum violates the Local Rules. See Local Rule 7-2(a) (“The motion and supporting memorandum of points and authorities must be combined into a single document that complies with the page limits in LR 7-3”).

1 No. 43. Such conclusory offerings are plainly insufficient to warrant filing an oversized motion and
2 memorandum.

3 Accordingly, the motion for leave to file an oversized motion (Docket No. 42) is hereby
4 **DENIED**. Because the motion and memorandum for non-monetary status (Docket Nos. 44, 46) fail
5 to comply with the page limitations established in the local rules, they are hereby **STRICKEN**.
6 Defendant Alessi & Koenig may renew its request for relief by filing a renewed motion and
7 memorandum as a single document that complies with the local rules.

8 IT IS SO ORDERED.
